COMMUNITY SERVICE REQUEST BY DEFENDANT

I am the Defendant and the Rankin County Justice Court Judge has ordered that I be placed in the Rankin County Jail as a result of one or more convictions. I am requesting that the Judge suspend a portion of the jail time and give me the opportunity to perform community service work rather than actually serving all of the time in jail. I have informed the Judge that I am capable of performing community service work even if the community service work is performed outside rather than inside a building and that I have no physical problems other than _____.

I understand that:

- (a) I will **not** be paid for any community service work;
- (b) I will receive jail time credit for any community service work performed;
- (c) any jail time that was suspended may be reinstated if I fail to perform the community service work and/or fail to timely reappear and provide proof that I completed the work.

SO REQUESTED, this _____ day of _____, 20_____.
